Helm Hill Junior Club Championship 2022 – Results Tables

Here are tables of the results for each age group. Young people are placed in a group according to the age they will be on 31st December 2022, and remain in that group for the duration of the Championship. (Races held by other clubs sometimes have different rules regarding age and we translate the results into our system). The running total for each young person relates to their best 7 races.

If a young person does not appear on the results table, their result has not been entered for a particular race, or you have any queries about the results, please contact me as soon as possible by messaging me on Facebook (I'm on as Stephanie Bolland, though I'm Stef in real life 😊)

Thanks, Stef
